PROFESIONAL PROFILE

I'm a software developer with a passion. I'm programming in PHP, my strengths are application architectures and design patterns. I did preparing training for the exam ZCE and in the near future I'm going to obtain certified

In my free time I like watching TV shows, my favorite is the Battlestar Galactica, playing sports (gym, football, archery) and reading books, especially fantasy and action. I attend dominican dance class (bachata).
